2. About the event

CMR Institute of Technology is associated with MHRD Institute Innovation Council. In this regard Institute Innovation Cell (IIC) is organizing a "SMART INDIA HACKATHON 2022" in the campus on 10 March 2022.

The event commenced with the arrival of the chief guests Dr. M Janga Reddy, Director CMRIT, Dr. B Satyanarayana, Principal CMRIT and Mr. T. Vishnu Vardhan, President IIC. The event proceeded further with the director addressing the gathering about SIH followed by principal and IIC president motivating the participants for the hackathon. All Head Of Departments in their address to the gathering emphasized upon the Importance of innovation and hackathon. The Director along with guests and judges formally inaugurated the events and presentations continued the proceedings

During the Hackathon 27 Teams presented their Ideas in the SIH ppt format out of the 27 teams we selected best 10 teams having good ideas and implementation details.

Brief Report on Workshop

Two-Day workshop on 23/12/2021 and 24/12/2021

Department of Mechanical Engineering organized a Two Day workshop on “**Innovations in NDT and Start-Up opportunities in Manufacturing Industries** “ B.Tech II Year students 23rd-24th-December 2021 to enrich their knowledge about the startup opportunities and in advances in manufacturing technologies, NDT testing procedures and heat treatment applications. The details of the workshop and certificate appended with this document.

Brief profiles of the resource person & Company:

Resource persons were invited from WELDING RESEARCH & ACADEMY (TWRA) which is one of the independent research and technology development organization in Hyderabad an ISO 9001:2015 Certified laboratory, established in April/2021 with expertise in

materials joining in (Solid State Welding & Fusion Welding processes) and engineering processes.

Outcomes of the Workshop: Through this workshop, the students are able to

- i. examine the metallurgical aspects of various castings and welded samples.
- ii. To startup new innovation and aspire for Entrepreneurship.
- iii. Analyze surface and sub-surface defects of various components through various NDT techniques

Student's feedback: After Two Day workshop, the students have given their experience on visit, testing facility on NDT and testing procedure and **Start-Up opportunities in Manufacturing Industries**. About 90% of students had given excellent feedback on advances in two days workshop.

Summary: The II B Tech students were attended Two-day workshop on Innovations in NDT and startup procedure in manufacturing technologies advances in technology, characterization methods and quality checking methods. This Two-Day workshop is fruitful in filling the gaps between curriculum and industry requirement.

Dear Sir,
Subject: Invitation for guest lecture -reg.,

We take immense pleasure in having you as a guest lecturer on the topic
"Significance of IPR in R&D"
Your expertise and knowledge in the area would add a great value, especially
the budding entrepreneurs of the country who require the guidance and path-
breaking ideas to lead their way through the tough completion in the Global
market on this day. Kindly accept our invitation to deliver keynote on the
mentioned topic on 18th December 2021.

Thanking you.

2. About the event

It's a great opportunity to learn modern technologies and work on live Free Software Projects which can be taken as your mini/major projects to solve the real world problems in the society. Interns can work on wide range of Free Software projects and will have an opportunity to interact with mentors from Industry and Research such as IIM, IITH, IITB, BITS Pilani, University of Saarland, Philips R&D, ThoughtWorks, Wipro and many more....

Wonderful experience through out the program with gaining of multiple skills and Certificates will be awarded at the end of program!!

Apart from learning technologies this internship makes you industry ready where you can have chance to participate in exclusive placement drives going to be conducted by multiple startup's and other IT companies.
