## 1. Social Service:

S.No	Activity
1	Distribution of food, grains and fruits.
2	Distribution of clothes and blankets to the economically challenged people
3	Renovation of washrooms in old-age home

### Distribution of food, grains and fruits.

#### SEP 2020

This happened on 24<sup>th</sup> September 2020 on the account of NSS Day. As we all know how covid-19 has drastically changed everyone's life. The ongoing nationwide lockdown by the government in the wake of COVID-19 pandemic has hit the poor and daily wage laborers the most as they struggle to make ends meet. With work completely drying up, these migrant workers are left with almost no savings or ration to survive this dire situation. To help the needy during this crucial time, our NSS volunteers took a huge step by distributing food to the needy in their nearby places.

### Distributing the blankets on Nov 2021

For many of us, winter means being in a cozy bed under a roof. But for the homeless people winter season can be the brutal challenge and are at a risk of experiencing the severe illness. So the team Street Cause CMRIT took an initiative by distributing the blankets to the homeless people.

**Renovation of washrooms – in old-age home Jun 2020**

Lack of proper sanitation is a serious issue that is affecting most developing countries. The importance of hygienic toilets lies in an effort to prevent diseases.

Ekashila old age home is facing financial crises due to which they are not in a situation to renovate the old damaged washrooms. So keeping the inconvenience of old people living old age home in mind, we have decided to renovate two washrooms which is going to be a permanent project under RFC projects.

## 2. Collaborative Health related extension activities:

S.No	Activity
1	Covid-19 Vaccination Drive
2	Mask and sanitizer distribution campaign during Covid 19
3	Fit India Freedom Run

### COVID-19 VACCINATION DRIVE on Dec 2021

A COVID-19 vaccine is a vaccine intended to provide acquired immunity against severe acute respiratory syndrome coronavirus, the virus that causes coronavirus disease 2019 (COVID-19). The introduction of the COVID-19 vaccine is a major step towards reducing the spread of the pandemic and further reducing the associated disease and deaths. The COVID-19 vaccine introduction is the world's largest vaccination drive and rollout requires planning at various levels.

Vaccination drive at Pravasi Telangana divas 2021

Vaccination drive at Pravasi Telangana divas 2021

Following all the WORLD HEALTH ORGANIZATION (WHO) protocols, the NSS team of CMRIT has organized a VACCINATION DRIVE on 28<sup>th</sup> December 2021, to create awareness among the students and staff about the vaccination. Both COVAXIN and COVISHEILD were available to students and staff, they came to a step forward to take their dose. As 1<sup>st</sup> and 2<sup>nd</sup> doses were given to them by doing registration on the official website. Over more than 300 people got vaccinated on this day. This vaccination has been done in presence of a doctor and nurse following the covid guidelines. The Doctors and nurse staff has taken enough precautions such as wearing a mask, maintaining social distance, sanitizing frequently. The Director of CMRIT, Dr.M.Janga Reddy Sir, Principal of CMRIT, Dr.B.Satyanarayana sir, and special thanks to the Doctor and Nurse of CMR hospital accompanied the students and staff to make the VACCINATION DRIVE EVENT very successful.

**MASKS AND SANITIZERS DISTRIBUTION on June 2020**

This social work was done by our NSS Volunteers during the pandemic on 28<sup>TH</sup> June 2020. As we all know that the covid-19 pandemic is a major threat to global health and the economy, the full impact of which is yet unknown. But this pandemic cannot be controlled by the government alone. It needs the participation and passion of all the people in our country. The CMRIT NSS cell Volunteers did their part by distributing masks and sanitizers.

## FIT INDIA FREEDOM RUN 2.0 on 2<sup>nd</sup> October 2021

Gandhi Jayanti is marked and celebrated on 2 October to commemorate the birth anniversary of Mohandas Karamchand Gandhi. He was popularly known as Mahatma Gandhi and Father of the Nation. Usually, on this day, the nation observes a national holiday. Amid the ongoing pandemic, the country will mark the 152nd birth anniversary of Mahatma Gandhi this year. Along with India, the United Nations (UN) every year also observes Gandhi Jayanti as 'International Day of Non-Violence'.

Fit India Freedom Run 2.0 organized on 2.10.2021

Gandhi Jayanti march 21

On the occasion of Gandhi Jayanthi, JNTUH NSS organized a special program "Fit India Freedom Run 2. O", at Shilparamam, Hitech city Hyderabad on 2<sup>nd</sup> October 2021 to commemorate the birth anniversary of Gandhiji. It was a two kilometers run, the prime purpose of the program was to promote the values, principles, and teachings of M.K.Gandhi and their contributions to nation-building amongst students. NSS Volunteers from different colleges participated in the event in large numbers to celebrate the Jayanthi.

Where CMRIT NSS Volunteers also participated in Fit India Freedom Run 2.0, All the volunteers Run for 2 kilometers by motivating people with slogans and giving awareness about a healthy life. Being Healthy is not a destination, it's a way of Life.

### 3. Environment and ecosystem-related activities:

S.No	Activity
1	Eco-Friendly Ganesha making and distribution
2	Tree plantation drive
3	No Plastic campaign

#### Eco-Friendly Ganesha making and distribution Aug 2019

Team IKSHANA marked the auspicious occasion of Ganesh Chaturthi with an engaging and creative event called SIDDHI. This celebration involved two exciting competitions, "Ganesha Making" and "Poster Making," providing a platform for participants to showcase their artistic talents and celebrate the spirit of Lord Ganesha. The Ganesha Making competition allowed individuals to craft unique and eco-friendly idols, promoting sustainability and reverence for nature. Simultaneously, the Poster Making competition provided an avenue for artistic expression, allowing participants to convey messages of environmental consciousness, cultural significance, and the essence of Ganesh Chaturthi through visual storytelling. SIDDHI, with its blend of creativity and cultural celebration, not only served as a memorable event but also emphasized the values of tradition, creativity, and environmental responsibility within the vibrant community of Team IKSHANA.

### Plantation Drive on Aug 2018

In a remarkable display of unity and environmental consciousness, young minds converged on a pivotal day dedicated to supporting and healing nature through innovative sustainable development initiatives. What began as a mere idea evolved into a tangible reality, propelled by the collective efforts and strength of these dedicated individuals. The highlight of this environmentally conscious movement was the Seed Ball Event, a transformative undertaking where enthusiastic young participants crafted and distributed approximately 1300 seed balls. These seed balls were then strategically planted in the verdant forests near a college and Vikarabad in Telangana. The event not only symbolized a proactive step towards ecological restoration but also served as a testament to the power of collaborative action. This inspiring endeavor encourages a commitment to safeguarding the environment through the best available methods. The call to protect our surroundings and foster a healthy future is not just a shared aspiration but a solemn promise. As we strive to implement sustainable practices, let us stand united, transcending boundaries and prejudices, to ensure a harmonious coexistence with our planet.

### Save Mother Earth By Saying “No” To Plastic February 2020

Earth is a beautiful living planet in the Universe and the common habitat of more than 7 billion human population and millions of species of biodiversity. But we mankind are being cruel towards our mother earth with our selfish deeds, where usage of plastic is one of the deeds. Every day we produce tons of non-degradable waste, and throw it anywhere recklessly.

To avoid this and to bring in a change, a program was initiated by the Govt. of India to say “no” to plastic called “Save Mother Earth By Saying “No” To Plastic.” This event was organized at JNTUH, by the NSS cell of JNTUH on 20<sup>th</sup> February 2020 and inaugurated by the program officer of NSS- JNTUH, Mr. Narsimha Sir.

There were discrete activities held, where we had twenty-four of our NSS volunteers participated. At the gathering we had dignitaries who spoke about the merits and demerits of the usage of plastic and we also had a few acts that were presented by the NSS volunteers of different colleges.

The words of the dignitaries were so thought- provoking that the role of youth to make a difference in saving mother earth for the future is indeed very important.

### INTERNATIONAL YOGA DAY on Jun 2020

It was held on 21st June 2020. By considering the covid-19 situation this happened virtually and as we all know our honorable Prime Minister Narendra Modi, ahead of the yoga day, launched an event - 'My Life My Yoga'. He encouraged people to stay active and fit during the coronavirus lockdown.

Yoga is a trend that has been flourishing over the years; rather this has become a trendsetter in maintaining both physical and mental well-being. Each activity is a key to improving flexibility, strength, balance, and attaining harmony. The yoga portal is a platform to help people embrace, practice, and enjoy yoga every day.

So NSS cell of CMRIT made sure that every volunteer of NSS takes part in this virtual event.

 <p>Govt of INDIA, MINISTRY OF YOUTH AFFAIRS AND SPORTS. <b>Happy International Yoga Day 2020</b></p> <p><b>June-21 2020</b></p> <p>YOGA is not only about "Self Improvement" but its about "Self Acceptance"</p> <p><b>Unit-1&amp;2</b> International Yoga Day 2020 Conducted By CMRIT</p>	 <p><b>CMRIT NSS VOLUNTEERS</b></p> <p>Fit India NSS Volunteers Conducted By CMRIT</p>

## WORLD ENVIRONMENTAL DAY – Jun 2023

World Environmental Day (WED) is celebrated annually on 5<sup>th</sup> June and encourages awareness and action for the Protection of the Environmental. World Environmental Day established in 1972 by the United Nations at the Stockholm Conference on the Human Environment, that had resulted from discussions on the integrated human interactions and the environment. The theme for World Environmental Day focused on solutions under the campaign #BeatPlasticPollutions.

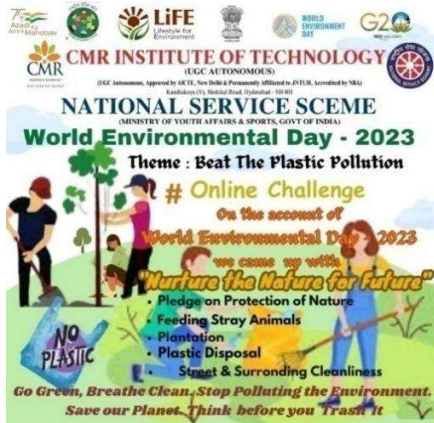

The NSS UNIT of CMR Institute of Technology has conducted an informative online with an event “**Nurture the Nature for Future**” view of World Environmental Day - 2023. And the contest was held on 28<sup>th</sup> May 2023 to 02<sup>nd</sup> June 2023 in Online Challenge.

The Competitions that had been done by the volunteers in virtual mode

- Pledge on Protection of Nature
- Feeding Stray Animals
- Plantation
- Plastic Disposal
- Street & Surrounding Cleanliness

Nearly 130+ Students had been Participated in the online challenge.

## 5. Sensitizing students to social issues related Activities:

S.No	Activity
1	Awareness campaign for voter's day
2	Lecture on gender equality and gender-based violence

### AWARENESS CAMPAIGN NATIONAL VOTERS DAY-January 2022

The national voter's day has been celebrated on January 25 every year since 2011, across the country to mark the foundation day of the election commission of India, republic day is celebrated on 26th January every year to mark the day on which our constitution came into effect in 1950.

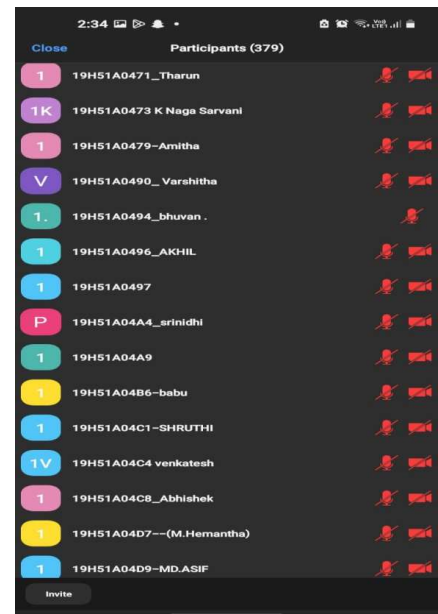

NSS unit of CMRIT has celebrated the above events and conducted a short video competition in virtual mode. The students were asked to make a short message-oriented video by choosing either of a topic below

- One vote, one value
- Democratic rights of an individual

The main motto of NSS unit behind conducting these events was to create awareness among people about the importance of vote and to make sure that each individual must be aware of their rights. The students actively participated and made videos that depicted the importance of vote and why an individual should not miss their vote. Also, the six fundamental rights of individuals were portrayed in an effective way. Followed by, the NSS volunteers addressed the participants with a speech about voter's day and republic day. Even in the virtual model, the event was successful and awareness about the importance of a vote was being induced.

The ballot is stronger than the bullet

Everyone who is born in this great land has only one identity

## Lecture on gender equality and justice August 2020

The Rakshin Project is a youth-led movement across India to #StopChildSexualAbuse. It aims to address the denial, stigma, shame, and silence associated with gender-based violence with a focus on preventing Child Sexual Abuse. The Rakshins will work to create a Constitutional Rights-Based Enabled Environment for a culture of accountability, a step towards a responsible India.

This is a good step taken by the government and it is worth knowing about this act and yes, this has to be learned by every citizen of our country. The volunteers of the NSS unit cell of CMRIT have taken a great step by learning the Patriarchy, Gender Inequality, and Misogyny and started acknowledging their friends and family. Sakshi is doing a great job working with the youth.
