CMRIT is dedicated to providing students with a holistic and well-rounded education. One of the key aspects of education at the Institute is raising awareness about our constitutional rights, values, duties and responsibilities, which are imparted through various means. The Institute has initiated numerous activities to sensitize both students and staff to their constitutional obligations: understanding values, rights, duties and responsibilities as citizens. Annually, on Republic Day and Independence Day, invited speakers and dignitaries emphasize the significance of remembering the struggle for freedom and respecting the National Flag and National Anthem. Our constitution underscores principles such as human dignity, equality, social justice, human rights, freedom, rule of law, equity, and the importance and superiority of the constitution in national life. The entire nation operates based on the rights and duties enshrined in the Constitution of India. Republic Day is commemorated every year with activities that highlight the importance of the Indian Constitution. Similarly, Independence Day is celebrated annually to underscore the struggle for freedom and the significance of the Indian constitution. The Institute's yearly cultural festival, 'Scintillations' promotes awareness about the rights and duties of citizens, featuring skits, dances, poetry, and singing performances centered on these themes. Various activities under the NSS and HSGA banner are organized, including rallies to promote cleanliness and hygiene, awareness campaigns on voters' responsibilities, cleanliness drives, and information sessions on AIDS prevention. Additionally, seminars and motivational speeches by guest speakers are regularly arranged. Notably, during the COVID-19 pandemic, students actively participated in distributing masks to those in need, exemplifying their commitment to social responsibility. The following are some of the programmes organized:

### Independence Day Celebration -2022

Independence Day is celebrated annually on 15th of August commemorating the nation's Independence from the British Rule. CMR GROUP OF INSTITUTIONS has organized an event on 15th August, 2022 on the account of 75th Independence Day. The Chairperson Ch. Malla Reddy Garu have hoisted the National flag. The parade went on, where the dignitaries of the event were honored in the parade by the students which includes three wings i.e., NCC, NSS and Scouts & Guides, which was done by students of CMRCET and CMRIT, followed by the dignitaries addressing the gathering. Later, the "Haritha Haram" program was conducted, where all the dignitaries took part and promoted concept of rejuvenating the degraded forests. Then, it was time for the blissful performances by the students. Few of the students danced to patriotic songs and sang songs with the emotion of patriotism. This day teaches us that, we should never forget the moral values of Independence Day of India.

## Environment Day Celebration–2022

Telangana state biodiversity board had organized an event “International Day for Biological Diversity and Environment Day “At Bhaskara Auditorium B.M.Brila Center, near Birla Mandir Adarsh Nagar, Saidabad, Hyderabad on 5<sup>th</sup> June, 2022 from 11:00 am to 3:00 pm.

The Theme for International Day for Biological Diversity is “Building a shared Future For all life” and Environment Day is “Only one Earth”. The chief guest was Dr.Rajat Kumar (IPS) and Muthireddy Yadagiri Reddy (Janagan MLA).

International Day for Biological Diversity is to increase understanding and awareness of biodiversity issues. The day also marks the entry into force of the Convention on Biological Diversity. The importance of protecting biological resources and the global biodiversity that shapes our environment — not only the various species of plants, animals and microorganisms around us, but also the genetic diversity of each of them, as well as the great variety of ecosystems that make up our planet .

The speaker has addressed about the importance of biological diversity and environment day. The main theme which was specified by the speaker is “not only planting a plant is important but taking care of it while growing is important”. After that there was a prize distribution for the student who has participated in competition’s which was conducted by TS biodiversity board.

The volunteers of CMRIT attended the event. They were motivated by all the speeches. This event has inspired the NSS Volunteers of CMR Institute of Technology to save the environment and biological diversity.

### National Science Day Celebration - Srishti – 2022

National Science Day is celebrated in India on 28<sup>th</sup> February each year to mark the discovery of the Raman effect by Indian Scientist Sir C.V.Raman on 28<sup>th</sup> February 1928. This year CMR Institute of Technology has conducted an event SRISHTI – 2022 on National Science Day in association with ENVIS Hub and RP in Association with Trippko and Lee Shreyus. The event consists of many competitions wherein the students were asked to

- Display their Prototypes in the Project Expo
- Prepare a PowerPoint presentation on the Topic “Integrated Approach in Science and Technology for Sustainable Development”.

Later, a Youth Parliament was conducted on “Role of Youth in Promoting Science and Technology”. There was a huge active participation, not only from the students of CMRIT, but people from other colleges have also taken part in the competition and made it successful. The competitions started after performing the lighting of Lamp by the dignitaries as it is believed that it spreads divine grace and also wishing everyone present there to rise upwards and dispel darkness.

The Chief guests for the event are:

- Sri.Ch. Malla Reddy Garru – Hon’ble Minister of Labour and Employment Govt of Telangana
- Smt. A. Vani Prasad – IAS, Principal Secretary & Director General, ETPRI Govt of Telangana
- Dr. Shobani Rani – NSS Program Coordinator-JNTUH, Hyderabad
- Sri. Ch. Abhinav Reddy- CEO, CMR Group of Institutions, Hyderabad
- Dr. Ch. Gopal Reddy – Secretary and Correspondent-CMR Group of Institution, Hyderabad

Dr. M. Janga Reddy, Director of CMRIT has firstly addressed all the students by welcoming them to the event and enlightening the importance of Science Day, followed by which Ch.Malla Reddy garu Hon’ble Minister of Labour and Employment, Govt of Telangana conveyed the students about the importance of Thinking in a positive and Effective way which also benefits the society. Continued by, Smt. A. Vani Prasad gaaru IAS, Principal Secretary & Director General, ETPRI, Govt of Telangana had given a talk to students about Sustainable Development and ensured that every student present there knew what an Integrated Approach in Science and Technology for Sustainable Development. Dr. Ch. Gopal Reddy garu, Secretary and Correspondent, CMR group of Institutions been very thankful in organising the event and also expressed his gratitude in encouraging the students in scientific and technological knowledge for the future in education.

All the chief guests went near the participants and tried to understand the efforts and hard work that were put in building the project and also they have suggested few changes to the students so that their product would become more Sustainable, user- friendly and effective. Continued by, there was a prize distribution session. The winners of the competition were awarded with the merit certificate and a shield. Participation certificates were issued to the participants. Later, the guests were felicitated. Finally, the programme was concluded with the vote of thanks by Uma Shankar who is the JNTUH NSS STUDENT Coordinator and with the National Anthem.

### Vaccination Drive-2021

A COVID-19 vaccine is a vaccine intended to provide acquired immunity against severe acute respiratory syndrome coronavirus, the virus that causes coronavirus disease 2019(COVID-19). The introduction of the COVID-19 vaccine is a major step towards reducing the spread of the pandemic and further reducing the associated disease and deaths. The COVID-19 vaccine introduction is the world's largest vaccination drive and rollout requires planning at various levels.

Following all the WORLD HEALTH ORGANIZATION (WHO) protocols, the NSS team of CMRIT has organized a VACCINATION DRIVE on 28th December 2021, to create awareness among the students and staff about the vaccination. Both COVAXIN and COVISHEILD were available to students and staff, they came to a step forward to take their dose. As 1st and 2nd doses were given to them by doing registration on the official website. Over more than 300 people got vaccinated on this day. This vaccination has been done in presence of a doctor and nurse following the covid guidelines. The Doctors and nurse staff has taken enough precautions such as wearing a mask, maintaining social distance, sanitizing frequently. The Director of CMRIT, Dr.M.Janga Reddy Sir, Principal of CMRIT, Dr.B.Satyanarayana sir, and special thanks to the Doctor and Nurse of CMR hospital accompanied the students and staff to make the VACCINATION DRIVE EVENT very successful.

### Kill The Cancer An Iskcon Initiative event -2019

Kill cancer is one of the most important programs implemented by The International Society for Krishna Consciousness (ISKCON) to spread awareness about cancer. To show support to this impeccable initiative, the NSS volunteers of CMRIT took part in this program on 19th December 2019 at JNTUH. The chief guest of the program was the governor of Telangana Shri. Dr. Tamilisai Soindararajan Garu and the NSS volunteers of CMRIT welcomed her with various Indian traditional costumes.

The NSS volunteers were a part of the blood donation camp. The governor attended the blood donation camp and blessed all the volunteers who took part. The program was further led by Praveena NSL, the founder of Colors of Dance Institute. The whole auditorium was overwhelmed when the governor addressed her enlightening words. The students of the colors of the dance institute presented the classical and semi-classical dance performances

### International Women's Day Celebration – 2023

International Women's Day is celebrated annually on March 8th to commemorate the cultural, political, and socio-economic achievements of women. As a part of it, the NSS Unit of CMRIT has organized an event to represent the day. Smt. Mangala Mani Garu an ISRO Scientist, Smt. Madhavi Reddy garu an Actress and Smt. Lavanya Reddy Garu an Actress invited as the chief guest for the occasion. Smt. CH. Vasantha latha garu , Secretary of CMTC, as the guest of honour for the program. Along with the Principals of CMRGI Dr. V.A. Narayanamurthy , CMR College of Pharmacy Dr. Rama Rao Tadikonda, CMRIT Director Dr. M. Jangareddy , Principal Dr. B. Satyanarayana and Sri. Ch. Gopal Reddy Garu, took part in the program and spoke a few lines about women in society.

This program is for women faculty of CMR COLLEGE OF TECHNOLOGY, we have conducted various games like balloon blasts, tower cups, and ramp walk, wherein most of the women faculty had taken part in it, which marked the day. We also had many enthusiastic and glorious dance performances by the students and Faculty of CMRGI and CMRIT. Later, the chief guest Smt. Mangala Mani Garu, and Smt. Madhavi Reddy garu , and Smt. Lavanya Reddy garu gave a tremendous speech, and the guest of honor Smt. CH. Vasantha latha garu spoke on the hard work of women for every success. Nearly 500+ members participated in the event.

### International Yoga Day-2022

Yoga is an ancient physical, mental and spiritual practice that originated in India. The word 'yoga' derives from Sanskrit and means to join or to unite, symbolizing the union of body and consciousness. Today it is practiced in various forms around the world and continues to grow in popularity. Recognizing its universal appeal, on 11 December 2014, the United Nations proclaimed 21 June as International Yoga Day by resolution 69/131. June 21, which is the Summer Solstice, is the longest day of the year in the Northern Hemisphere and has special significance in many parts of the world.

Students performing the Yoga Asanas at College during the International Yoga Day

### Girl's Child Day & Voter's Day—2023

In order to encourage more young voters to take part in the political process, Government of India has decided to celebrate January 25 every year as "National Voters' Day". It has been started from 25 January 2011 to mark the foundation day of Election Commission of India.

Students are performing activities during the event

### Science Fest-2021

This fest was held on 2nd March 2021. It was held in our college by taking safety precautions considering the covid-19 situation. Students from different colleges took part in this fest conducted in CMRIT. The Science Fest was held on the occasion of Science Day. The theme for this fest was “Future of Science Technology and Innovation”. This was a total 2 days fest named SRISHTI-2021. National Science Day is celebrated to spread a message about the importance of science used in the daily life of the people. To display all the activities, efforts and achievements in the field of science for human welfare. It is celebrated to discuss all the issues and implement new technologies for the development in the field of science. To give an opportunity to the scientific minded citizens in India. To encourage the people as well as popularize science and technology.

### DISTRICT-LEVEL NEIGHBORHOOD YOUTH PARLIAMENT-2022

District Level Neighbourhood Youth Parliament is conducted on 10th March 2022. It has been held under the guidance of 'NEHRU YUVA KENDRA' in collaboration with the CMR INSTITUTE OF TECHNOLOGY. It is to hear the voice of the youth, who will join various careers in the coming years, including public services. The main motto of Nehru Yuva Kendra is "TOGETHER TOWARDS TOMORROW" to provide the youth of the country with the order to exchange their ideas and support. It's mainly to stay together for a good cause. A Mock Parliament was being conducted trying to give the experience of youth parliament to the participants. The platform of Youth Clubs is being developed further in the shape of vibrant 'NEIGHBOURHOOD YOUTH PARLIAMENT'. The purpose is to educate the members of Youth Clubs about contemporary socio-economic development issues confronting local communities in general and the youth and to involve them in debate/discussions on such issues. During these programs, eminent Speakers delivered a talk on contemporary issues like Good Governance, Youth Participation in Govt. Schemes, Prime Minister Jan Dhan Yojana, Swachh Bharat Mission, Construction of Toilets, etc. Youth Leaders from different clubs were motivated that after returning to respective areas, arrange similar discussions/debates involving their club members.
